With the products listed below, each product name has a hyperlink attached to it. Clicking on the product name will take you to the selected product on the website so you can view more information about it.

All quantities of products specified on the website are an indication of annual production, not of current stock on hand which can change rapidly. Availability of stock at any time is dependent on time of year, market demand, and success of production.

When viewing digital photos, colours are a guide only and may not be exact true to type. Colours are affected by light conditions, software, camera, and printer settings.

Item No.	Product	Per Year	Price	Short Description
